With Sehat Card, you can save money so that you can spend it on your loved ones

Home Services at your Doorstep

Find My Doctor will be providing at home services to the DIB Customers. Through our plans, customers can call a PMDC verified Doctor (General Physician) at their home for free.

Lab Test at Home

DIB customers will be able to get their lab tests at home on discounted rates through Find My Doctor.

Parental Care

Worried about the hospitalization of your parents? With Sehat Card, we will reimburse up to 500,000 of their Accidental Medical Expenses.

Hospitalization Coverage

With our attractive packages, you don't have to worry about your medical expenses.
